PERFORMANCE EXHAUST

2008-2010 Ford 6.4L F250/350/450

Filter Back + Down Pipe

Part# S6282409 S6282AL

Combining MBRP's 4" particulate filter back exhaust with a less restrictive MBRP down pipe helps your Powerstroke keep its cool. In fact, 15% cooler at the bottom of the down pipe and from 10-15% cooler at the tail pipe. All without removing the diesel particulate filter or compromising your warranty. And the included mirror polished T304 stainless steel tip adds a definite touch of style to your ride.

4" Filter Back, Single Side Exit + Down Pipe

- Mirror Polished T304 Tip Included
- Easy install with common hand tools
- Minimum degree mandrel bends for lower EGTs
- Direct fit to OEM Hangers
- Available in T409 Stainless (409) and Aluminized Steel (AL)
