

132T207/1320309 Installation Instructions

2017+ Rev 850 ETEC

This muffler is designed to work on all 850 ETEC models. SUMMIT models use a different Exhaust Sensor.

- **Exhaust Sensor Extension MUST be INSTALLED on SUMMIT models.**
- **Exhaust Sensor Extension MUST be REMOVED on MXZ and Renegade models.**

1. Remove both side panels and belt guard.
2. Loosen the clamp sealing the airbox to the hood and disconnect. It is located just above the secondary clutch.
3. Remove the 2 screws securing the gauge pod to the hood. Lift up the gauge pod and remove the storage bin.
4. Unplug the headlight connectors and intake air sensor. Gauge pod can now be pulled back out of the way.
5. Remove the 2 screws securing the hood assembly and slide it forward approx. 3" to disengage the locking tabs located at the front of the hood and at the gas tank. Lift the assembly off.
6. Remove the heat shield from the muffler inlet, followed by the exhaust springs.
7. Remove the muffler retaining bolt and spring. Angle the muffler to allow access to remove the exhaust sensor from the muffler.
8. Remove the muffler from the sled making sure the gasket stays on the outlet of the expansion chamber. Remove the 3 rubber bushings from the muffler as they will be reused.
9. Insert rubber bushings on the MBRP Powersports muffler, only 2 will be used. Be sure the bushing with the metal sleeve is installed in the upper bracket.
10. Install the MBRP Powersports muffler in the sled. Reinstall the muffler retaining bolt and spring.
11. Reinstall the exhaust springs.
12. Reinstall the exhaust sensor. **See Note At the top of page.**
13. Reinstall the hood, gauge pod, storage bin, belt guard and side panels in the reverse order

It is highly recommended to reinstall the OE muffler inlet heat shield assembly onto the MBRP Powersports muffler inlet. Minor trimming of the shield will be required to provide clearance around the exhaust sensor.

MBRP Powersports warranty applies for a one (1) year period from the date of purchase to defects in product material and workmanship and is to the original purchaser on record and for the original vehicle for which it was designed and installed. This warranty is limited, at MBRP Powersports sole determination, to the repair or replacement of defective product only and does not include the cost of removal or re-installation, damage by accident, abuse, misuse or misapplication or any consequential damages however they may arise. Determination of warranty coverage shall be at the discretion of an authorized MBRP Powersports quality engineer.
